Black text indicates the venue is open to the public. **Green** text denotes private buildings.

■ and ● indicates buildings that are 1st floor wheelchair accessible

Accessibility

Wherever possible, ADA standards for accessibility have been met. However, due to the historic nature of the architecture throughout the village, some entrances do not measure the full 36 inches indicated in the ADA guidelines. It is our goal to ensure the comfort and safety of all our visitors.

Allow us to serve your needs by calling ahead when making plans for dining and lodging. Arrangements can be made to assist you in accessing these establishments.
